Foster Care & Adoption Information Meetings

OUR FOSTER CARE PROGRAMS

Thank you for your interest in becoming a foster or adoptive parent with Children's Hospital of Wisconsin Community Services. By opening your home to children in foster care, you are helping make a difference in our community, one child at a time. We've designed the information meeting to further your interest in becoming a foster parent. You will learn about the licensing process, the families and children that we support and the benefits of choosing our agency. Usually, we will have one of our foster parents at the meeting to share their journey and help answer questions you may have.

When you leave the meeting you will have the forms required to move forward in the licensing process. The meeting is for information purposes; you will not have to make a decision at the meeting as to which program you choose to be licensed in.

We invite you to attend a session and learn more about foster care. When you're ready to apply, you'll need to choose from one of the following programs:
